

SCNV Collegiate Scholarship

The Program

The SCNV Collegiate Scholarship program has been established to assist eligible SCNV members who are graduating high school seniors intending to pursue a college education during the upcoming academic year. The scholarship(s) are intended to honor skaters who have shown dedication to the sport of figure skating by testing and competing, set consistent standards of good citizenship and sportsmanship, and achieved academically. The SCNV Collegiate Scholarship program is also intended to promote long-term membership in SCNV and to encourage figure skating after high school. The scholarship(s) will be offered for full-time undergraduate study at an accredited institution of the student's choice.

- Plan to enroll in full-time undergraduate study at an accredited two-year or four-year college, university or vocational-technical school for the entire upcoming academic year.

Awards
