

# SCNV EDUCATION INCENTIVE FOR COACHES & OFFICIALS/PROSPECTIVE OFFICIALS

Recognizing the value and cost of continuing education for coaches and officials as well as the need for training new officials, SCNV is pleased to offer an education incentive for the 2017-2018 Season. SCNV will reimburse up to \$100 per member as follows:

- SCNV coaches: up to \$100 reimbursement to defray the cost of specific educational opportunities, including PSA Conference registration, PSA Rating Test fees or U.S. Figure Skating Technical School.
- SCNV officials: up to \$100 reimbursement to defray the cost of specific educational opportunities such as U.S. Figure Skating Continuing Education Schools/Technical Schools.
- SCNV members who are prospective officials: up to \$100 reimbursement to defray the cost of specific educational opportunities such as attending Judges' School.

In order to be eligible for reimbursement, the applicant must be a current Primary Home Club member of SCNV in good standing. Coaches must also have current PSA CER Category A or B credentials. This offer is available due to SCNV's ongoing, successful fundraising efforts. Reimbursement amount and the eligible education opportunities will be reconsidered each year based on available funding.
