

## SCNV Test Session Guidelines

### Session Running - With safety in mind

- Skaters wait outside until they are called to come in and be assigned to a station in the lobby.
- Skaters arrive no earlier than 30 minutes prior to their warm up. **Skaters cannot be late or they forfeit their test time.**
- Lobby will be divided into 8 waiting area stations. No more than 8 skaters in the lobby or belongings in lobby at any time. (see attached diagram)
- At arrival
  - Skaters - temp check (code to check in sheet)
  - Skater should be wearing a mask (*optional during testing*)
  - Skater & parent will sign health release form
  - Disposable Mask & gloves w/ alcohol wipes will be available.
  - Parents leave the rink lobby and wait in their car or outside - out exit door.
- Skaters will go to assigned station area in lobby
- Skaters stay at their station until their group is called for warmup. They then come into the rink keeping safe spacing between skaters. (through the indoors by the lesson desk)
- After warm up - skaters A&B remain for test, skaters C&D return to their lobby station until called for test. (while next group is at other 4 stations in lobby).
- Exiting rink - all exiting is done by zamboni side.
- While new group is entering into the rink - finished skaters exit out Zamboni side to their assigned stations to wait for scores.
  - Scores will be given to coaches. Coaches will disseminate to their skaters.
- As one test group exits, the building the next tests group will enter the building and go to assigned stations.

### Bathroom Usage

- **No changes or prepping in bathrooms. Must come dressed to skate.**
- Only 1 person/family in restrooms at a time.
- Be quick, efficient, and clean.
- Prior to entering, announce and ask if anyone is in the bathroom before entering.
