

2025 *Cardinal*

Classic

Date: May 30th – June 1st

*Sponsored by the
Skating Club of Northern Virginia*

From the President

Dear Skating Community,

As we come together for the Cardinal Classic 2025, we carry with us the memory of those we lost on January 29th this year in the tragic plane crash of American Airlines Flight 5342 following the National Development Camp. The impact of their absence has been felt throughout the global skating community. This year's competition is a moment for us to celebrate the enduring spirit of skating, a spirit that unites us all. Let our joy and passion on the ice be a tribute to their love of this sport.

To all the skaters, coaches, and family members, know that you are part of a community that stands together. The strength and dedication felt throughout the community these past months should be a constant source of inspiration. Let us find comfort and connection in our shared love for skating and let us celebrate the enduring spirit of those who will always be a part of our skating story.

On behalf of the Board of Directors of the Skating Club of Northern Virginia (SCNV), I thank you all for joining us for the ninth Cardinal Classic competition. The Cardinal Classic is part of the Excel Series, and we commend all of the Excel competitors for taking part in this innovative U.S. Figure Skating program. SCNV is also celebrating our 50th anniversary this year.

We thank our resolute Competition Chair, Melissa Mahle, for her kind determination in planning and leading our club's premier competition. The Local Organizing Committee (LOC) is diligently working to ensure your skater's experience as positively memorable in their journey this season. We thank our wonderful group of officials including referees, judges, accountants, music, announcers and technical panel members for their time and mentorship. We are grateful to our facility management and staff of Prince William Ice Center for their many years of partnership supporting this event.

And most importantly, we urge you to share our sincere appreciation to our incredible band of volunteers both young-in-age and young-at-heart in conducting registration, ice monitor, awards, event program, practice ice, hospitality, event setup and removal, communications, medical, volunteers, vendors plus many other important duties.

We hope to see you all again for Cardinal Classic in 2026.

With kindest regards,

Charles Park
SCNV President
