

2026 Cardinal Classic

May 29–31
Sponsored by the Skating
Club of Northern Virginia

From the President

Dear Skating Community,

Welcome to Cardinal Classic! We are delighted to have you as a competitor, coach, parent, or friend visit us this year, and wish you all the best in your competition journey this season. Our club had much to celebrate with our 50th anniversary last year, and hope you were able to witness or view the historic achievements from US Figure Skating's Olympic Team in Milano Cortina Italy this year. That same Olympic spirit begins at ice rinks here at home so may those Olympic dreams burn brightly throughout this weekend.

For many years, Cardinal Classic is the last Excel Series competition in Virginia for competitors attempting to qualify for the Excel Final and Festival this July in Massachusetts. We commend all of our Excel competitors for taking part in this innovative U.S. Figure Skating program. We are likewise appreciative for the many Theater on Ice teams competing here in their preparation for the National Theatre on Ice competition this June in California.

We thank our Local Organizing Committee (LOC) led by our kind and resolute Competition Chair, Melissa Mahle. The LOC is diligently working to ensure your skater's experience remains positively memorable at Cardinal Classic. We thank our wonderful group of officials including referees, judges, accountants, music, announcers and technical panel members for their time and mentorship. We are grateful to our facility management and staff of Prince William Ice Center for their continued partnership supporting this event.

And most importantly from our club board of directors, we ask you to share our sincere appreciation to our amazing band of volunteers both young-in-age and young-at-heart in conducting registration, ice monitor, awards, event program, practice ice, hospitality, event setup and removal, communications, medical, volunteers, vendors plus many other important duties.

As one of the few clubs affected by the January 29th tragic plane crash of American Airlines Flight 5342 last year, your attendance honors their memories at Cardinal Classic. Together, we are part of a remarkable and resilient community that stands together.

We look forward to seeing you all again at next year's Cardinal Classic in 2027.

With kindest regards,

Charles Park
SCNV President
